2009 - No Sweat Apparel Wholesale Pricing Information

Items

Enclosed is a price list of our current wholesale products offered. However, our line is constantly changing and being updated. Please refer to our website www.nosweatapparel.com and keep in touch with your No Sweat sales representative for the latest product offerings.

Minimums

25 pieces ordered per style meets our minimum requirement. You can mix different sizes and colors within that style to meet these minimums. For knit beanies and embroidery, please inquire for pricing.

Screen Printing (minimum order for screening is 75)

Custom logo screen-printing is available for our tees, sweatshirts and hoodies. Artwork should be submitted in Adobe Illustrator as an EPS with all text converted to outlines/curves. Pantone colors should be specified. Please also send a copy as a .pdf file. If the design is simple text or a one color image, we may be able to accept other electronic formats as long as the size is no smaller than the actual print size and at least 300 dpi. Not providing artwork according to specification will delay your order. We can redesign, edit or create artwork if needed, additional charges apply.

Ordering Samples

Samples should be ordered through our online store at www.nosweatapparel.com. You can set up an online account while you order the samples. You can return items for a full refund or receive credit toward your larger order. If the samples requested are not available on our online store, we can order separately. Please allow 2 weeks for these special requested samples.

Turnaround

Blank goods: Bethlehem Organic Tees - within 1 week or less of order if items are in stock. For USA-Made goods, usually 2-3 weeks depending on your location and if items are screened or not. We will confirm delivery once we receive your order. **If it is a time sensitive order, please make sure to note that on our order form.**

Note: Special orders - 1,000+ pieces produced in Bethlehem please allow 4-6 weeks for delivery.

Delivery

Our default shipping method is UPS Ground and ranges anywhere from 1-5 days within the US. Customer is responsible for all shipping charges, including any requests for expedited methods. International shipments may be subject to taxes and duties not covered in the cost of goods, and are the responsibility of the customer.

Terms

Payment in full is required to ship. Check, money order, Visa, MasterCard, Discover, or American Express are acceptable forms of payment for domestic orders. For international orders, we accept the above credit cards, checks in US funds, or payment by wire transfer.

Discounts for Non-Profit Organizations – For pricing, select the next tier pricing for your quantity, for instance, if you are ordering (75-149), you would select the next tier pricing (150-299) as your discounted price.

Returns

All non-defective blank goods returned will be subject to a 20% re-stocking fee. Decorated goods cannot be returned (unless they are determined to be defective).
